**OPEN SOLICITATION PLAN
FOR RECREATION OFFICIATING SERVICES (NON-RFP)**

1. The Department of Recreation will disseminate information about the respective programs and requirements for officiating services in program bulletins and notices. Such notices will be displayed and made available at the Department's central offices, each indoor recreational facility, and mailed to County residents. Notices will also be on the Office of Procurement's Web site and conspicuously displayed within the lobby of the Office of Procurement. Applications can be obtained from the Department of Recreation and from the Department of Recreation's web site.
2. The insurance requirements for this open solicitation are listed in provision 21 (Table A) of the General Conditions of Contract Between County and Contractor. The Division of Risk Management of the Department of Finance, reserves the right to revise the insurance requirements based on services provided.
3. We have established an application process for potential contractors to follow in order to obtain a contract under this open solicitation process (see Exhibit A).
4. The Department of Recreation offers sports officiating for various sport activities including football, volleyball, soccer, futsal and basketball for youth, teens, adults, and individuals with disabilities. All courses must be consistent with the Department's Mission, and the Department of Recreation has the final approval of any course to be offered.
5. The objective qualifications for potential contractors are listed in the application process.
6. The potential contractor must complete the application, and submit any mandatory submissions. Our Department will investigate to determine if the applicant is responsible. If the investigation reveals that an applicant is non-responsible, we will notify the Office of Procurement. At the discretion of the Department, interviews may be held with the potential contractor to assist the Department in the determination of the potential contractor's qualifications and the determination of responsibility. If the potential contractor meets the qualifications and we consider them to be responsible, then we will prepare a contract that the Office of the County Attorney has pre-approved (Exhibit B). If the potential contractor does not meet the qualifications, we will send them a written notification advising them as such.
7. Prior to the preparation of the contract, we will attempt to negotiate the fees and any other costs for a fair and reasonable price for the services to be provided under the contract.

8. We will obtain the necessary Certificate(s) of Insurance from the potential contractor, and submit to the Division of Risk Management for approval.
9. If the potential contractor does not have a Vendor Identification Number in ADPICS, we will complete an ADPICS/FAMIS Vendor Table Maintenance form and submit it to the Office of Procurement prior to contract submittal.
10. It is understood that although a contract is being executed as an indication that the potential contractor meets the qualifications established for their service, it is no guarantee that the potential contractor will be assigned any services under the contract. Services will be mutually agreed upon based on need and the fees listed in the contract.
11. If the total costs, of the services under the contract, are expected to exceed \$50,000, the Office of Procurement must obtain a completed Minority, Female, Disabled Person Subcontractor Performance Plan from the potential contractor prior to execution of the contract.
12. The services provided under this open solicitation will be provided on an “as needed basis”, therefore, funds will be available under the Recreation Activity Agency Fund Account for any services to be rendered. Services will be assigned to the contractor offering the lowest per game fee with the capability of providing the necessary number of officials needed for the services to be provided.
13. The contract term of these contracts will be up to three years. It is the County’s intent that all contracts awarded under this Open Solicitation expire on the same date.
